The Background of the Syrian Refugee Crisis

Since the outbreak of the Syrian civil war in 2011, millions of Syrians have been forced to flee their homes to escape violence, persecution, and economic collapse. According to the United Nations, over 13 million Syrians are in need of humanitarian assistance, with more than 6.8 million registered as refugees across neighboring countries and beyond. While many find safety in camps or host communities, their journeys are fraught with peril, and their experiences often include stories not suited for public narratives.

Unveiling the Unwanted Stories

The stories of Syrian refugees that seldom make headlines often involve exploitation, violence, and despair. Understanding these stories is essential to grasp the full scope of the refugee experience.

1. Exploitation and Human Trafficking
